

COMPANY PROFILE / CURRICULUM VITAE (CV)

BASRA AL MUSTAQBAL

 **Address:** BASRA, IRAQ

 **Phone:** +964 7811062738 || +964 7706004880

 **Email:** basra.m1@yahoo.com

1. Company Overview

BASRA AL MUSTAQBAL is a leading **Maintenance, Turnaround, Fabrication and Construction** company specialized in Desludging, Cleaning, Rehabilitation & Repair , Storage tank construction, Structural steel fabrication, Industrial construction, Civil, Piping & Painting works. With **10 years** of experience, we deliver high-quality, cost-effective, and timely solutions for oil & gas industries green and brown field projects to ensures that every project aligns with the highest standards of quality, safety, and efficiency, contributing to the growth of the energy sector in Iraq.

Core Competencies:

- ✓ Desludging & Cleaning of oil and water tanks
- ✓ Desludging & Cleaning of Pressure vessels
- ✓ Tank & Pressure Vessels Fabrication and Erection.
- ✓ Tank & Pressure Vessels Rehabilitation (Repair and Maintenance)
- ✓ Structural Steel Fabrication & Erection
- ✓ Piping & Manifold Fabrication, internal and external painting & Erection
- ✓ All Type of Mechanical Repair and Maintenance Works
- ✓ Supply of Steel Plates, Steel Structures and all other materials.
- ✓ Design, Supply and Installation of Cathodic Protection system (External & internal) for Tanks.
- ✓ Civil Construction & Infrastructure
- ✓ Engineering, Project Management & Turnkey Solutions

2. Services Offered

A. Desludging and Cleaning Services

- Isolation, Depressurization and purging of equipment.
- Sludge & Residual Oil Removal by vacuum trucks and manual method.
- Cleaning by Water Jetting, chemical rinsing and steam jetting
- Inspection and report preparation as per corresponding API standards.

B. Rehabilitation (Repair and Maintenance) Services

- Removal of corroded / damaged portion based on inspection / anomaly report
- Welding of new patch or replacement of corroded plates.
- NDT inspection and Post Weld Heat Treatment services.
- Hydro test and painting services.

C. Fabrication Services

- Pressure vessel & tank fabrication
- Pipe spool fabrication
- Custom metal / structure steel fabrication
- CNC cutting, bending, and welding works.

D. Cathodic Protection Services

- Design and engineering of internal and external cathodic protection system
- Supply & installation of CP system.
- Commissioning and handover.

E. Procurement Services

- Bid Evaluation & Technical compliance
- Procurement execution, Order Tracking & Expediting.
- Logistics & Transportation including shipping, customs clearance, and insurance.
- Delivery, Receipt & Inventory Management

F. Abrasive Blasting and Painting Services

- Supply and procurement of abrasive blast and paint material
- Surface Preparation (Blasting) as per required standard.
- Coating Application as per required standard and client procedures.
- Quality Control & Inspection.

G. Construction Services

- Warehouse & factory construction
- Civil works (foundations)

3. Key Projects (Portfolio)

Project Name	Location	Scope of Work	Year
DRY OIL TRAIN REHABILITATION	HM-DGS 01	Internal Cleaning, Inspection, Repairing of Dry train in HM DGS (6 Pressure Vessels)	2023
DIESEL TANK CONSTRUCTION	KHOR AL ZUBAIR	Construction, installation, Hydrotest, Painting of Qty – 2 nos of Diesel tanks	2023
MISHRIF OIL TRAIN REHABILITATION	ZM-DGS 03	Internal Cleaning, Inspection, Repairing OF Mishrif Train in ZM DGS (9 pressure vessels)	2023 / 24
DRY TO WET TRAIN REHABILITATION	ZM-DGS 03	Internal Cleaning, Inspection, Repairing of Dry train in ZM DGS (6 Pressure Vessels)	2024
BUFFER TANK REHABILITATION	HAMMAR - IPF	Desludging, cleaning, Repair and Civil work of Buffer Tank (DIA – 36 MTR) at Hammar IPF	2024
STORAGE OIL TANK CLEANING	KHOR AL ZUBAIR	Desludging and cleaning of Storage Oil tank TK-06 & TK-07 at Khor Al Zubair.	2024
PRESSURE VESSELS REHABILITATION	ALL ENI DGS & IPF	Desludging, cleaning, repair of multiple desalter, dehydrator and separators at ZFOD Zubair fields. (10 vessels)	2023 / 2024 / 2025
INSTRUMENT AIR RECEIVER VESSEL	RAFIDYAH - DGS 05	EPC Project for Instrument Air Receiver vessel.	2024
WASH WATER STORAGE TANK REHABILITATION	ZUBAIR MISHRIF - DGS 03	Internal Cleaning, Inspection, Repairing, Civil and Cathodic Protection Works of Wash Water Storage Tank at Zubair Mishrif DGS	2024
ALL PRODUCED WATER TRAINS REHABILITATION	HAMMAR - IPF	Internal Cleaning, Inspection, Repair all produced water trains (CPI, IGF & Nut Shell Filters) (16 pressure vessels)	2024

FLOW TANK- 300B REHABILITATION	RAFIDYAH - DGS 05	Internal Cleaning, Inspection, Repairing of Flow Tank at Rafidyah DGS 05 including Civil works and foundation repair and CP works.	2024 / 2025
OIL STORAGE TANK CLEANING	ZUBAIR – DGS 01	Desludging and cleaning of Storage tank Z050-T-247 and Z050-T-248 at ZDGS.	2025
OFF SPEC TANK REHABILITATION	HAMMAR - IPF	Desludging, cleaning, minor repair of OFF SPEC TANK Z061-TA-002 at H-IPF	2025
SURGE TANK REHABILITATION	NORTH DGS	Desludging, cleaning, minor repair and post inspection repairs of Surge Tank Z021-5100-TA-001B at North DGS	ONGOING
8 SLOT WATER INJECTION MANIFOLD	CPS 05 – NORTH RUMAILA	Fabrication and installation of 8 slot water injection manifold for CPS 05 MF03 EX at North Rumaila ROO	ONGOING
IPW TANK-001 REHABILITATION	NORTH - DGS	Desludging, cleaning, repair, Civil and Cathodic protection work of Intermediate Produced water tank at N-DGS.	ONGOING

4. Manpower Certifications & Compliance

- All manpower are confined space and work at height trained.
- Specialized and skilled trained persons for confined space rescue, fire fighter and first aider.
- Specialized and skilled 6G Welders.
- ROO safety passport & ENI safety trained personal.
- Currently have
 - Qualified Welders – 50 nos.
 - Certified Confined space workers – 70 nos.
 - Qualified HSE personals – 6 nos.
 - Total skilled and unskilled workforce – 200 nos
 - First Aider, Authorized Gas tester, Permit applicants, etc – all Available.

5. Clientele

Arabian Industries, Trizac Dubai, ENI, ROO, Al Ghawara.

6. Why Choose Us?

- ✓ **Experienced Team** – Skilled engineers, welders, and technicians.
- ✓ **Quality Assurance** – Strict adherence to international standards
- ✓ **Timely Delivery** – Efficient project execution
- ✓ **Competitive Pricing** – Cost-effective solutions
